Due to the rising cost of **FIREWORKS** and our usual local partnership being fully booked for this year's celebration, we have made the decision to adjust our plans. Instead of organizing a dedicated fireworks show, we kindly ask you to join in watching the various displays happening throughout the neighborhood. We understand that this change may come as a surprise, but we believe it presents an opportunity for our community to come together and appreciate the fireworks shows organized by our neighbors. We will take this year as an opportunity to evaluate and potentially enhance our fireworks display for future celebrations. Thank you for your understanding and we look forward to your continued support in the future.

EVENT IS ORGANIZED BY THE UMBA BOARD. FOR MORE INFORMATION CONTACT JEREMY: (712) 269-8255
