Snow Removal for Streets

Per City Ordinance, all vehicles need to be off streets by 3 AM the morning of the snow.

Snow Removal for Sidewalks

Per Chapter 136.03, Snow must be removed from sidewalks promptly. If a property owner doesn't remove the snow within a reasonable time, the city may do so and assess the cost against the property.

We would like to remind citizens to clear sidewalks as well as moving their cars as needed to help with the snow removal process. It is a big process to completely remove the snow from the streets so please be respectful and let us know if there are any issues or concerns.

Friendly reminder to citizens with Basketball Hoops in the street, when SNOW FLIES- Please remove the basketball hoops from the street for ease of snow removal.

We are here to help the city and our citizens and will do our best to fix any issues or concerns. Thank You.

Service availability based on location. Contact us for complete details.
