Pottawattamie County Sheriff's Office to Host Annual Shop with the Sheriff Event November 14

COUNCIL BLUFFS, IOWA — The Pottawattamie County Sheriff's Office will host its annual Shop with the Sheriff event on Saturday, November 14, beginning at 7:00 a.m. at Target, 3804 Metro Drive, Council Bluffs.

Each year, the event brings Sheriff's Office deputies and employees together with local youth for a morning of holiday shopping, helping provide essential items and holiday gifts to children and families in need throughout Pottawattamie County.

The program is made possible through the generosity of community members, businesses, and organizations that contribute through donations and fundraising efforts throughout the year, including the Sheriff's Office's annual Christmas in July campaign.

Shop with the Sheriff also provides an opportunity for children to interact with local law enforcement officers in a positive, welcoming environment while building connections within the community.

Community members interested in supporting the program can donate at pottia.gov/ShopWithTheSheriff. All donations go directly toward purchasing necessary items for children in need in Pottawattamie County each holiday season.
